

## Meeting Street

### **Speech, Oral, Sensory Motor Group** **SOS**

**SOS** is a language and sensory based group designed to help pre-school children develop and refine peer interaction, language processing and develop readiness sensory motor skills in preparation for kindergarten. The Speech and Language Pathologist and Occupational Therapist will use play based music, games, stories, craft and movement activities geared toward the pre-school aged child. Small group instruction will allow for individualized attention, peer interaction/support, and parent consultation.

**SOS** is targeted to meet the needs of children who:

- Are between the ages of 3 years to 5 years of age.
- Have difficulty with sensory integration and/or sensory processing.
- Have difficulty with peer interaction.
- Have difficulty paying attention and following directions and routines

**The SOS Group** will be lead by members of the occupational and speech & language therapy staff.
